Dedication

We, the class of 1954, dedicate this annual to the boys and girls of Oviedo High School, who have fought to win the above trophies. They have made an enviable reputation for good sportsmanship all over Central Florida. The lessons learned on the basketball courts are carrying over into good citizenship of many who have gone out from O. H. S. into adult life or into the various colleges. We are proud of you! Continue to "fight, fight, fight," for honesty and fair play in the game of life.

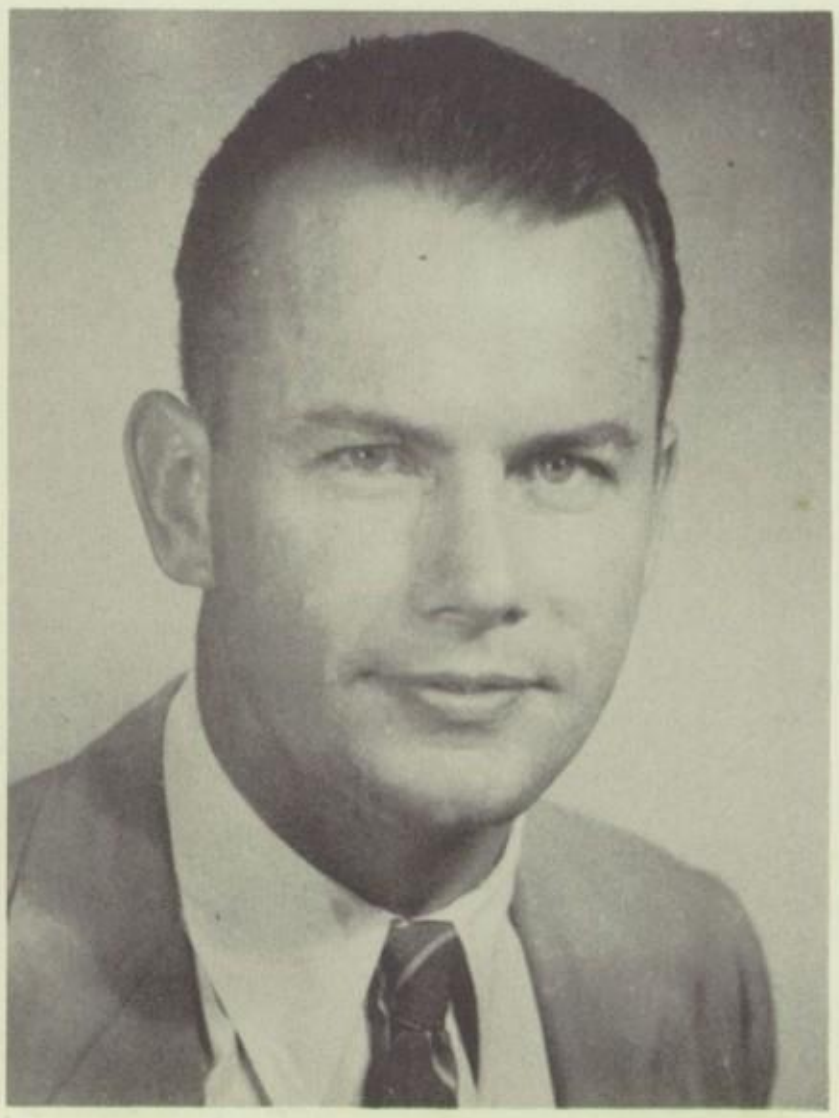
We pause to recall with deepest appreciation and affection the years of faithful and effecient service rendered our school and community by Walter A. Teague, our former principal. His sterling character was an inspiration to teachers and students alike. We miss him, but we wish for him every success in his new field of work.

We Salute



To our new principal, Stewart Gatchel, we wish to say that you have already made a warm place for yourself in our hearts and in the hearts of the community. We recognize the fact that your character and leadership are of the finest quality. We hope you will remain at the helm of our school for many, many years of progress. "LEAD ON; WE FOLLOW!"

Extremely nervous hold up man (Ivan): "Stick 'em up, or else!"
Victim: "Or else what?"
Ivan: "Don't confuse me, this is my first job.

Traffic Cop: "Look, lady, don't you know this is a safety zone?"
Mrs. Smith: "Of course, that's why I drove in here."

Keith: "I wish I could find a doctor who would tell me what's wrong with me."
Martha: "You're just plain lazy."
Keith: "I know, but I just wanted to know the scientific name for it."

Kenneth: "Sorry I missed your class this morning, Coach . . . . what did you say?"
Coach: "Nothing."
Kenneth: "Yes, I know, but how did you express it this time?"

Ray: "Kiss me."
Dawn: "Why?"
Ray: "I don't know. Just couldn't think of anything else to say."

Nancy: "Do you know that running is good for the figure?"
Freddie: "I should say I do. Once it kept a charge of buckshot out of mine."

"I shall now illustrate what I have in mind," said Mrs. Aulin as she erased the blackboard.

Mr. Gatchel was busily engaged with a spade in the sandbed beside his car when a stranger hailed him.
"Stuck in the sand?" asked the stranger.
"Oh, no" replied Mr. Gatchel cheerily, "my engine died and I'm digging a grave for it."

Class Prophecy

June 3, 1954

Dear Georgene,

Can you imagine, ten years ago today we were graduated from O.H.S. It seems as though it were yesterday. We really had some good times there.

How are you, Don, and little Don, Jr. getting along? Are you still nursing in the morning, on week days, at the hospital in Atlanta?

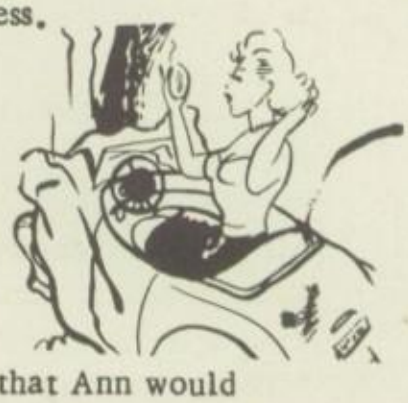
You will never guess who came to see me yesterday! Dot Miller and her husband, who is now an admiral in the navy. Jim was home on leave from California where he is now stationed. I asked Dot how she liked the navy life, and she said she liked it fine.

George Domansky, as you remember, used to work at Spelzhousen's grocery store in Goldenrod; well, no more little stuff for George. He is now one of the biggest grocers in the state. George and his wife came in the office where I work the other day to see my boss, and they were sporting a pretty baby blue, 1964, Cadillac.

I received a letter from Martha Hardy; she said that her next picture will be "Feudin' Mountain Boys." She is the highest paid hillbilly star in Hollywood. Her husband is the producer of the picture.

My mother was visiting me not too long ago, and she said that Bob Shaffer is now the principal of Oviedo High School, and Mr. Gatchel is his secretary. Bob is really boosting the sports in the school; they now have a football team. Bob and his wife have made their home in Oviedo and they have twin boys.

Ruth Cullum writes to me quite often, and in her last letter she said that she liked her job as a stewardess. She said that she met many interesting people while she worked, but she has decided to quit and get married. She plans to marry a very nice boy who is in the Marines. He is one of the interesting persons she met while she held the job of being a stewardess.



You remember Richard Wrye, don't you? Surely you do! You couldn't forget him. He was the handsome one in our class. He is now a very successful businessman. He is the owner of Wrye Junking Co. He has junk yards scattered all over the United States.

I saw Ann Leinhart's mother not too long ago, and she said that Ann would be home on a thirty day leave the seventh of this month. I guess you know that

Ann is now a Lt. Colonel in the Woman's Marine Corps. Just think, she has achieved this in the last nine and one half years.

Roy Biestel is the best known mechanic in Orlando. He also has the largest and most modern garage there. He has garages in other large cities in Florida. He opened the first modern garage in Oviedo. It has really helped the progress of the town.

Thelma Rambo and her husband left yesterday to go up north where they will spend the summer months at their home there. They will be back down here sometime in November to spend the rest of the time at their winter home in Oviedo. Thelma is one of the best seamstresses in Seminole county. She has her own shop in Sanford.

Have you seen or heard from Harvey Joe lately? I saw him about two weeks ago, and he said he really did enjoy his job as coach at Oviedo High. I guess you know his boys' basketball team was state champion this year. He and his wife are building a new home in Lake Charm Park; he says it brings back old memories.

I got a ticket for parking too long on Orange Ave. last Friday, so when I went to pay the fine, guess whom I should see all dressed up in a State Patrolman's outfit? Ivan Jakubcin. Can you imagine? But he has not given up hot rods by any means. He races every Friday night at Rocket Speedway in Orlando.

I was down town shopping the other day when I heard someone call my name. I turned around and whom do you think I saw? Mary Smithson (or should I say Meek). She said that she and Billy have just built themselves a new home in Oviedo, and bought a new car. It looks as though Billy is making good at growing celery.

You wanted to know in your last letter to me how I liked my job. I like it fine; you know, I always did want to be a private secretary. My boss is now giving me the rush. I think I will take him up on his proposal. I can just see the ring now; it will probably have a diamond as big as a grapefruit in it, and diamonds have always been my weakness. Oh! I think I hear him coming up the walk now. I'd better close, so I won't keep him waiting. Write to me soon.

ATHLETICS

Girls' Basketball

We have had the best season this year our team has ever had and we are looking forward to the conference tournament. Our teamwork and sportsmanship this year have been exceptionally good. We were seeded second in the conference with only one loss and eight winning games.

Forwards this year were Captain Georgene Parker, Co-Captain Ann Leinhart, Shirley Jones, Ann Pierson, Peggy Fleming, Edith Dishman, Betty Beasley, and Dawn Walker. Guards were Joan Brown, Leona Hart, Nadine Bostick, Pat Walker, Kay Estes, Nancy Myers, Nancy Miller, and Dorothy Simmons. This is one of the biggest squads we have ever had, and we feel it is one of the best.

Boys' Basketball

HOORAY! The Oviedo cagers win another basketball game, but Oviedo's winning isn't anything new; after all they have won twenty-two straight conference games in the last two years. Our 1954 team lost the opening game to Crescent City by a single point in an overtime game. The strong Edgewater Eagles beat us in a very close game three days later. Since then our boys have hit their stride by winning twelve straight games. This record places Oviedo in the favored spot in the conference tournament. We hope to successfully defend the conference championship this week.

Johnny Jones is our leading scorer on this offensive-minded team; but all the squad is to be commended for its fine playing and good sportsmanship.

The following boys make up our team: Captain Joe Slayton, Billy Meek, Johnny Jones, Fred Wheaton, Ray Fore, Hubert Priest, Lorne Mathers, Jerry Harris, Myron Willis, Jerden Boatwright, Richard Wrye, Bobby Shaffer, Ferdinand Duda, Luther Duda, Marvin Wrye, Bobby Standifer, and Raymond Mikler.

Junior High Basketball

We have been practicing hard for the big event of the year - the county tournament. We hope to be successful this year and to bring home the pennant. Our prospective team members are as follows: Nellie Ruth Beasley, Janet George, Shirley Partin, Karen Boatwright, Virginia Wrye, Betty Wheeler, Sybil Shoal, Mildred Steele, Mary Ann Slayton, Melanie Jackson, Georgia Dishman, and Beverly Darity.

Coach, MISS LOIS RUDDELL

Junior High Basketball

Our goal for the year is to bring back to Oviedo the County Championship Pennant. We are practicing hard for our opening game with Lyman this week. We are small, but what we lack in size we make up for in ambition. The following boys are on the team.

Jerry Dodd	-F-	Jimmie Morgan
Wallace Kelsey	-F-	Jimmie Brookshire
William Hart	-C-	Leon Cullum
Donn Ulrey	-G-	Freddie Alford
Clarence Hall	-G-	Ormond Simmons

Freddie Robbins, Walter Walker, Richard Smithson, James Mentzer, Charles Parker, and Jack Hill.

PAUL MIKLER, Coach

Baseball

The outlook for the baseball team looks pretty good this year if our pitching prospects come through. Due to the graduation of Walter Duda, our ace pitcher last year, we are hard pressed for a pitcher this year. We have some fine young prospects coming up, who will probably play some this year; and in the future will make up a good ball club.

These three positions in the infield, first base, shortstop, and catcher, are sure bets to be taken by Keith Malcolm, Bill Meek, and Johnny Jones. The remaining team will probably consist of these six men; Fred Wheaton, Roy Beistel, Charles Mentzer, Ray Fore, Richard Wrye, and Lorne Mathers. In there trying to beat these probable starters out of their positions will be the following: Myron Willis, Hubert Priest, Andrew Aulin, Harvey Joe Slayton, Donnie Malcolm, Bobby Standifer, Marvin Wrye, Luther Duda, Ferdinand Duda, Raymond Mikler, John Selph, and Jerden Boatwright.

ADVERTISERS

THERE'S ONE THING

WE CAN BE SURE ABOUT...

Yes, there is one thing we're certain of. Every member of this year's class is leaving with a great ambition to become established: to get to college -- if college is planned. To get that first job.. to get going. For some it may take years...others months, depending upon the field of endeavor and the additional study necessary. In any case, time will pass more quickly than we ever imagined it could.

For some, progress will be hastened by insurance. Others will probably benefit later by well laid plans of their families...plans which in some cases may have been worked out in collaboration with New York Life.

For more than 27 years it has been my privilege to serve as life insurance counselor to men and women of Sanford and Seminole County. If you would like to know of the ways life insurance can help you meet adult responsibilities...ways it can help you in later life, I will be indeed happy to talk with you.
